depending on the number of entries and rounds there is a chance to have relays in this competition.

Track

the track is an artificial refrigerated indoor ice surface with the measure of 30x60 meters, protective padding will cover the boards. The standard track is 111,12 meter .

Condition of contest

The Competition will be held under the rules of ISU concerning the paragraphs für Short Track Speed Skating and the DWA/DWO of DESG.

The qualifying schedule for each distance is based on the “all final system” in each category. The all final system is used in order to guarantee a minimum number of races to all participants.

The Organizers reserve the right to change the program and to limit the number of participants due to unforeseen circumstances.

Award of prizes

There will be prizes for the first three skaters in each category. During award ceremony the skaters should wear their Club- or National track suits.

Medical assistance

Doctor and paramedical staff will be present only at the competition days.

Medical Insurance

It is the responsibility of each member or participating club to ensure or provide medical and accident insurance for their athletes. Proof of such shall be requested by the Organizing Committee.

Liability

In accordance with Rule 119 the Organizing Committee assumes no responsibility with respect to medical, bodily or personal injury or property loss or damage sustained in connection with this competition.
